

# 'TIS THE SEASON TO **protect** YOUR FUR FAMILY!

Pet name(s):

Existing medical conditions:

Vet & phone number:

Accidents don't go on holiday, even if you do. Be prepared for any emergency with our festive season guide – perfect to tuck in your cubbyhole or put on the fridge for your pet sitter.

## **REPORT ANIMAL CRUELTY:**

**Animal Welfare Society of South Africa** 082 601 1761

**Animal Anti-Cruelty League** 011 435 0672

**Police** 10111

**Crimestop** 08600 10 111

## **PET EMERGENCY KIT CHECKLIST:**

- Vaccination and medical records
- Antibiotic ointment
- Saline (cleaning wounds)
- Gauze, scissors, tape and rubber gloves.
- Wet wipes
- Blanket/towel
- Travel water and food bowl
- Pet food
- Chronic medications
- An extra leash and collar
- Your pet's favourite toy

## **IF YOUR PET GOES MISSING:**

- Check your home first. Pets may hide in strange places
- Inform your neighbours
- Call vets in your area
- Post photos and descriptions of your missing pets on Facebook
- Call and visit the local SPCA and other shelters in your area

**Manage** your cover on the go. Visit our 24/7 manage portal at [www.dotsure.co.za](http://www.dotsure.co.za).

- Upgrade your pet plan
- Add another pet to your policy
- Log claims
- Change personal details
- Change banking details

## **IF YOUR PET IS POISONED:**

- Keep your pet calm
- If possible, get a sample of the poison for your vet
- Do not induce vomiting unless instructed by your vet
- Rush your furry friend to your nearest vet
- Take your pet to the vet even if they seem fine; some symptoms may not appear for several hours/days

If you have any questions about your cover, call [dotsure.co.za](http://dotsure.co.za) at **0861 368 7873**.
